Rabbi Prinz Urges Support Of "Fifth Amendment" Teachers

Jews Above Law ?

The highly reputable national magazine "Leslie's Weekly Illustrated" in its Oct. 29, 1896 issue (p. 282) in an article "To Down the Jew", revealed that the Jewish control of courts and all legal proceedings in this country was so prevalent even then that it is a wonder the American Jewish Congress had to resort to the farce which was perpetrated in the New Jersey courts, under the guise of "justice." We quote from Rector Ahlwardt's statement in Leslie's:

"The whole Jewish organization is essentially an INTERNATIONAL one...New York is the New Jerusalem itself...there is no LAW that can reach the Jew. Israel forms a State, within a State, and is practically above the law...I refer you to the records of all the...trials in the city for the past ten years...I mean political influence, straw bail, BRIBERY OF OFFICIALS, subornation, of perjured testimony..."

Albert Einstein

The late Albert Einstein, friend of Rabbi Prinz, forced to leave Germany in the drive on Communism, belonged to more than 50 Communist fronts. Advised all his friends to take the "Fifth Amendment."

The fourth of a series of articles exposing the activities of the American Jewish Congress and Rabbi Prinz. For the information of new readers, Rabbi Prinz was awarded a judgement of \$30,000 in a suit brought by him against Conde McGinley, for calling him "a red rabbi who not unlike Albert Einstein, was expelled from Germany, for his revolutionary, Communistic activities". Since Mr. McGinley was not permitted to present his evidence to the jury, we are doing so in Common Sense, insofar as is possible. However, we will not at this time cover the Communist-front and Communist records of some two hundred officers, past officers and active members of the American Jewish Congress, for which we have documentary evidence. There is also other information we are omitting at this time for good reason. Those who would like a file of the American Jewish Congress and Rabbi Prinz, should keep the full set of our issues for reference.

World Jewish Congress

Quite often pro-Jewish individuals deny the existence of a Jewish conspiracy of a political nature, claiming that the Jews are merely taking aggressive action to protect themselves as a minority.

If this is so, then how do they explain the OVERT action referred to in the following "CONFIDENTIAL" Memo from the World Jewish Congress office, in Washington, D.C., dated Dec. 20, 1946, from Dr. C. Irving Dwork, to Petegorsky, Maslow, and Kubowitski:

"In today's New York Times, and other newspapers, there appeared a summary of a statement by President Truman, expressing his dissatisfaction with the government's handling of immigration of DP's.

"I am certain that to a considerable degree this message is due to the CONTINUOUS PRESSURE WE HAVE EXERTED ON THE WHITE HOUSE, THE VISA DIVISION OF THE DEPARTMENT OF STATE and other divisions of the Department of State, as well as various Senators and Congressmen.

I do not believe that the sincerity of the President in this matter is open to question. I expect to SEE DAVE NILES early next week and shall inform you further."

In other words, the WORLD JEWISH CONGRESS FORCED the President to issue a public message of interest to the Jews and the VICIOUS CHRISTIAN HATING JEW, DAVID NEYHUS (Niles) is named as the secret intermediary and inside informant of Dwork, of the World Jewish Congress. Rabbi Joachim Prinz, as Vice President of the World Jewish Congress, certainly had access to this memo. Did he reveal these actions as part of a continuing conspiracy? Of

course not! Niles of course is now dead, but the conspiracy continues with other Jews in the White House, such as Philleo Nash, Maxwell Rabb, and Isaac Jack Martin.

An example of how Senators are used as willing and pliant tools, is given in another letter dated Dec. 19, 1946, from the American Jewish Congress.

"With regard to our telephone conversation of yesterday, I would like to stress the fact that SENATOR JAMES MEAD has virtually put himself at our disposal and ...he should be USED in connection with the campaign for the increased immigration of DP's. If there is no large affair in New York, might I suggest that he be used as a big gun in the A.J.C. campaign here in Washington."

This is how a U.S. Senator represents the constituents of his State! For those who do not realize the duality of the American Jewish Congress and the World Jewish Congress, the following excerpt should be enlightening: "We have been able to concentrate...effectively on the political work of the W.J.C. We have been able considerably to increase our financial support for the political budget of the W.J.C...Some of our major divisions have several times during the past year, intervened with representatives of foreign governments in their communities, in support of important political submissions of the W.J.C." (See p. 8, Report—Executive Dir. 3/31-4/5, 48.)

The reader should bear in mind that this Zionist organization is Tax deductible—(a Zionist pressure group using the tax payers money to break down this country for Marxist rule.)

Three Newark, N. J. teachers who invoked the Fifth Amendment, (Lowenstein, Laba, and Zimmerman) before the Un-American Activities Committee and were suspended and brought to trial by the Newark Board of Education, were also supported by the Communist Party. The Daily Worker (June 24, 1955, pg. 4) stated: "One prominent Jewish clergyman, RABBI PRINZ, of B'nai Abraham Synagogue, urged support of the teachers. Rabbi Prinz (in a sermon to 1500 people) said that help should be given to the teachers, and he lashed out at proposals for a city witch hunt among city employees. Circulation of "security" questionnaires by the city will put "A PREMIUM ON CONFORMITY" Rabbi Prinz declared. People will be afraid to express any view that seems to be in disagreement with accepted policy. Genuine and valuable civic activity will be deterred. Employees will be afraid to join or work in any organization, for fear in the future it may be listed as SUBVERSIVE" Rabbi Prinz declared." (end of DAILY WORKER quotation.) Emphasis supplied.

Do you recognize these stereotype, moth-eaten cliches, which have been mouthed by the left-wing enemies of the Un-American Activities Committee since it was formed?

Why is it the Daily Worker, OFFICIAL COMMUNIST NEWSPAPER, always favors Rabbi Prinz and the activities of the American Jewish Congress?

IS COMMUNISM JEWISH?

A clear and unequivocal declaration of the AJC's attitude towards Jews, the USSR, and Communism, was made by Max Bressler, President of the Chicago Division of the AJC, in the Jewish Sentinel, Chicago, (4/26/45. pp. 15 and 19) in an article "No Jewish Isolationism" which consisted of excerpts from his speech for the Jewish Council for Russian War Relief in Chicago, 3/18/45.

IS COMMUNISM JEWISH?

"Let us always remember and repeat for the benefit of those who choose conveniently to forget—the JEWS OF THE WORLD ARE ETERNALLY INDEBTED TO THE USSR...I refer, of course to that bright chapter in human history, that was written 27 years ago in the land that gave birth to many of us...It is also well to remember always, the GREAT contribution that the USSR has made to the progress of humanity, evidenced by the ESTABLISHED STATUS of the JEW in the Soviet Union...Aid to the USSR...carries with it very deep and profound political implications...Those who with-hold the hand of friendship to the heroic People of the Soviet Union...are committing a crime against OUR PEOPLE... There is no room for Jewish isolationism... I suggest to these cynics to study the activities of the Jewish ANTI-FACIST COMMITTEE OF THE SOVIET UNION, and the JEWISH COUNCIL IN MOSCOW...of the PART THAT THESE AGENCIES PLAYED IN LOCATING DP's. I would remind them of the way in which both of these agencies have COOPERATED WITH THE WORLD JEWISH CONGRESS...I suggest, also, to those one-track minds to study the work of the Jewish Anti-Fascist Committee, in collaborating with the Jewish Agency of Palestine, the World Jewish Congress, and the WRITERS AND ARTISTS COMMITTEE OF N.Y....in preparation of...the 'Black Book of Hitlerism'."

The Jewish Agency of Palestine is an aggressive Zionist group. The Writers and Artists Committee, the "Black Book", the Jewish Anti-Fascist Committee of the Soviet Union, the Jewish Council of Moscow, have all been cited as outright Communist, or in the case of the Soviet organizations, automatically known to be 100% Communist. Only one other organization is named in this cooperating group—THE WORLD JEWISH CONGRESS.

By what twisted and perverted Talmudic logic could even a Jew lawyer consider this speech an anything other than a plea for Communism—Jewish style?

The A.J.C., refusing to sign a statement by the B'nai B'rith against Nazi attacks on Jews as Bolsheviks, made this statement in their Congress Bulletin, Nov. 1, 1935, pg. 3:

"Hitlerism is a racial war of the Hitler Aryans against Jews as non-Aryans or Semites...We are Hebrews. We are Semites. We are non-Aryans...We are prouder than ever of our Jewishness, of our Hebraism, of our Semitism...Assimilation denies the supreme reality of the Jewish race...We of the American Jewish Congress accept the racialism of the Jews...as an unalterable truth...This document...suggests that the American Jews...have not the right...to accept Communism as a political theory, or a party platform...The authors...of this document apparently feel that they are compelled by the pressure of public opinion at this moment, to say that they, or all of us Jews are not Communists...IT IS ABOMINABLE TO ASSUME, AS THIS DOCUMENT DOES, THAT TO BE A COMMUNIST IS A CRIME, OR THAT COMMUNISM IS ILLEGAL, (emphasis ours), and that if Jews should happen to be Communist, they should deserve much...that has happened to them in Nazi Germany..."

For the readers information, 95% of the Jews are not Semites, nor are they Hebrews; they are Asiatic Khazars, and not one of their ancestors ever set foot in the Holy Land.

FRIENDS OF THE AMERICAN JEWISH CONGRESS

An example of the tremendous power of the American Jewish Congress, and its most notorious leader, Rabbi Stephen S. Wise, was illustrated by the list of sponsors of its 70th Birthday Tribute to Wise, co-sponsored by the Zionist Organization of America, on March 16, 1944. The list included Albert Einstein, Louis Finklestein (Jewish Theological Seminary—center of

David Niles (Neyhus)

The late David Niles, (Neyhus) look-out man in the White House under Roosevelt and Truman. It was through Niles that Zionist pressure was brought on Truman, to recognize Israel.

Talmudic filth,) Fiorella LaGuardia, Herbert Lehman, Reinhold Niebuhr, Rabbi Abba Hillel Silver (whose synagogue in Cleveland features horns on the brow of Moses). Greetings were printed in the official program from Henry A. Wallace and from the Jewish Anti-Fascist Committee in the USSR (Moscow) which stated: "We greatly value your work...to muster the Jews in the U.S.A. in the struggle against Fascism."—and expression of the most intimate solidarity between the official Jewish spokesmen of the USSR, and the self-appointed official spokesmen of the Jews in the U.S.A.

Guests at the Tribute included the perennial Communist-fronter, Stanley A. Isaacs (who hired Si Gerson as an assistant), Rubin Saltzman (19 citations in Appendix IX, Manager of the Jewish Communist organ, Morning Freiheit—see New Order, March 1938, pg. 16; member of Communist Party, see Daily Worker Sept. 6, 1937, p. 2; also General Secretary of IWO 1930), George Starr (Officer of Jewish Peoples Fraternal Organization, 4 citations in Appendix IX; member of the National Executive Committee of the Communist Party since 1919—see Appendix IX) and Al Kahn (President of JPFO 1947-48; member Editors Board Jewish Life, published by Morning Freiheit; contributing editor to New Masses, Communist publication; also see Matusow Testimony released by Internal Security Subcommittee).

For Communist-front citations of Rabbis Finklestein, Silver, and Wise, see Common Sense issue No. 222 "Rabbi's on the Red Front". Einstein, LaGuardia, Lehman and Niebuhr all have front records of far more than average length.

C.S.L.A.—LEGAL ARM OF A. J. C.

The Commission for Law and Social Action, the legal arm of the American Jewish Congress, in Dec. 1955, sent letters to teachers in New York City, with a questionnaire five pages long requesting the teacher-informer to, among other things state whether or not his school had Christmas plays centering around the Birth of Christ, whether there were Nativity symbols such as the Cross, etc., whether "Silent Night" or other Carols were sung, or whether the name of Jesus Christ was mentioned.

The Brooklyn Tablet (Dec. 17, 1955) pointed out that this indorsement of the "informer" role was in contrast to Rabbi Israel Goldstein's earlier stand against the questioning of teacher Communists, on their associates in the Communist Party. Rabbi Goldstein, who is President of the AJC, has at least 12 Communist-front citations.

This example of subversion of American traditions is typical of the hypocrisy and gall of the Jews in the AJC. The reader should bear in mind that this Zionist organization is tax deductible—a Zionist pressure group using the taxpayers money to break down this country for Marxist rule.

Civil Rights Groups Honor Eisenberg

The following is a heading from a Newark News clipping, dated Nov. 12, 1953:

"Civil Rights Groups to Honor Eisenberg...Retired Superior Court Judge, John O. Bigelow, will be the principal speaker..." Eisenberg was attorney for Rabbi Prinz. During Nov. 1955, Mayor Carlin of Newark, designated a week as "American Jewish Congress week".

Consider the difficulty of winning any suit in the Superior Court with the head Rabbi of Newark, where the Jews control politics. The Rabbi stated during the hearings, that there were 90,000 Jews in Essex County.

JEROME EISENBERG

Lawyer for Rabbi Prinz

Now for a moment, let us divert our thoughts to Rabbi Prinz' principal lawyer, Jerome Eisenberg, also counsel for the American Jewish Congress, and N.J. Chairman of Commission on Law and Social Action, who led the fight against Conde McGinley.

When the N.Y. Board of Education wanted to make Communist teachers reveal the names of their co-party members, the Communist Teacher's Union fought the Board. The Emergency Civil Liberties Committee, Americans for Democratic Action, B'nai B'rith, and the American Jewish Congress, supported the Teachers Union in this action. (See Brooklyn Tablet, 5/14/55).

Now we look in the National Republic for Aug. 1954, in an article by Felix Wittmer, and see that "In the fall of 1949... campaign against me was highlighted by threats relative to my anti-Communist platform appearances and by letters which SUGGESTED POSSIBLE LAW SUITS. On Sept. 24th, I read two such letters, one was from EISENBERG and SPICER, a Newark, N.J. law firm, REPRESENTING A NEWARK HIGH SCHOOL TEACHER whose COMMUNIST line, pro-Wallace, editorials in the publication of the Teachers Union, I had publicly criticized...I dismissed all such correspondence as the usual INTIMIDATION BY THE LEFT-WING CLIQUE." (emphasis supplied)

Again, in the Newark Star Ledger, May 11, 1955, there is a story about a meeting of the Newark Teachers Union (closed to the public) called a week prior to the appearance of the Un-American Activities Committee in Newark. Members of the Union discussed the constitutional rights of witnesses called before the Committee.

"With an estimated 200 teachers in the audience, R. Joseph Bruder, president of the N.T.U., and JEROME EISENBERG, counsel for the State Federation of Teacher's, answered questions in an informal discussion of the problem..." "a teacher's query: Assuming that anyone did not want to disclose any association with other people—did not want to be an informer—what would be the procedure? EISENBERG replied that the proper procedure would be to PLEAD THE FIFTH AMENDMENT." (Emphasis supplied)

Tolerance-Jewish Style

At a convention at the Hotel Waldorf Astoria, of the Anti-Defamation League of B'nai B'rith, Meier Steinbrink, New York State Supreme Court Justice, who also held the job as the legal head and New York Chairman of the Anti-Defamation League of B'nai B'rith, stated at the close of the Convention:

"Under American law an offender who has served his sentence, meted out by the courts is considered as having paid for his offense. This is not our idea. ANYBODY WHO HAS OFFENDED OR HARMED THE JEWISH CAUSE, IS NEVER TO BE FORGIVEN, AND WE (The Anti-Defamation League of B'nai B'rith) shall employ the MILLIONS OF DOLLARS AT OUR DISPOSAL to see to it that such an enemy of the Jewish cause shall never regain his previously held position, or social standing."

A.J.C. Cited As Communist-Front!

The Tenney Committee on Un-American Activities, (Calif.) issued its 1948 Report on Communist-fronts, (March 25, 1948) in which is found listed on pp. 145-49, the citation against the American Jewish Congress. Here are some excerpts from that citation:

"Resolutions adopted by this convention of the American Jewish Congress, (Southern California Regional Convention, Los Angeles, 2/7-8/48) indicates the organization's adherence to the Communist Party line. The convention went on record against loyalty checks for federal and government employees, and called for abolition of the Thomas...and Tenney...committees, investigating un-American Activities.

"Dr. Stephen S. Wise is the National President of the A.J.C. He has a long record of Communist-front affiliations...Dr. Max Nussbaum is the President of the Pacific Coast Region... The notorious Communist-fellow traveler, Carey McWilliams, spoke under the auspices of the A.J.C...The mailing lists of Communist-fronts in Southern California, taken from a master list, in the possession of the Communist Party, include the above list of Chapter chairman of the American Jewish Congress..."

There follows a long breakdown of Wise's Communist-front record, Judge Ben Rosenthal's, Rabbi Max Nussbaum's, and many others. Of interest is the fact Miss Marguerite R. Weiss, legislative chairman of the Women's Division of the A.J.C., "Declared that the goal of the A.J.C. was that of a POLITICAL ACTION GROUP to fight 'anti-racial attitudes'". Here is a blatant declaration of the A.J.C.'s criminal contempt for the law, as stated in its own Executive order, as cited earlier. Miss Nita Blackwell, former secretary of the NAACP also spoke, and Milton S. Tyre of the National Lawyers Guild, stated that such committees (Tenney and Thomas') were the 'Jews' greatest threat."

GOVERNMENT CITATIONS AGAINST AMERICAN JEWISH CONGRESS

In the California Senate investigating Committee on Education's Eighth Report, (1951) on pg. 59, we find the following important and little known statement:

"Carey McWilliams has been affiliated with the following Communist-front organizations: American Committee for Protection of Foreign Born (AH); American Committee for Spanish Freedom (A); AMERICAN JEWISH CONGRESS, (C) (1948, pp. 145 and 149)..." The letters A,H, and C, stand for the Attorney Generals list, House Un-American Activities Committee, California Un-American Activities Committee.

Every Dollar Will Help!

Using the \$30,000 judgement as an excuse, and in an effort to break down the Christian Educational Association, Of which Conde McGinley is a non-paid officer, on Jan. 27th, your editor was asked, among many other questions, if he had a burial plot—wonder if Rabbi Prinz would like to have that also?—in addition to the \$1,000 remembrance in the will of a patriotic friend, left to Conde McGinley?

The trial of Prinz vs. McGinley, which dragged over two years, cost the defense over \$15,000, several thousand dollars of which is yet unpaid. Mr. McGinley had three excellent lawyers representing him. These lawyers deserve to be paid. Additional legal expense is being incurred daily. Please help to keep us in this fight, so that we might help your editor who is doing such a valiant job for you as well as his country.

JEWISH EXILE LECTURES HERE

"Future of European Jewry"
To Be Address Topic

Dr. Joachim Prinz, German-Jewish leader who was forced to leave Germany because of his defense of Jewish rights under the Nazi regime, will discuss

"The Future of European Jewry" in a Jewish Open Forum lecture at 8 p. m. Sunday at the Hebrew Community Center, Main Avenue and Quincy Street.

Dr. Prinz is known as the leading spokesman for the Jews of Germany having made the first public reply to Nazi allegations against the Jews in his now-famous book, "Wir Juden" (We Jews). In July, 1933, Dr. Prinz, who at that time was a young rabbi in Berlin, was seized by the storm troopers during an address.

In 1936 Dr. Prinz resigned his pulpit to devote himself to politics and was immediately forced to leave Germany. The lecturer was born in Upper Silesia of merchant parents. He joined the Zionist movement in Germany in 1917. He received a Ph.D. degree from the University of Breslau when only 21 years old and while a student at the university and in the rabbinical seminary there was editor of a political Jewish publication.

When he became rabbi in the Berlin synagogue, Dr. Prinz became the first German rabbi to discuss current topics from the pulpit.

Dr. Prinz is speaking under the auspices of the cultural committee of the Agudas Achim Synagogue which is composed of Rabbi David Tamarkin, chairman; William Alter, M. B. Freed, B. F. Harris, I. Lewin, Dr. L. J. Manhoff, Sam Nevelow, Dr. A. M. Schorr, Jacob Schmidt and M. A. Sinkin.

San Antonio Express
March 17, 1938

In hearings, Rabbi Prinz, stated under oath that he was forced to leave Germany because he made a speech in the defense of Jesus Christ—NOT FOR POLITICAL REASONS.

LETTERS TO THE EDITOR

The following is one of many letters we have received from our readers. The writer is now discharged from the U. S. Army.

Dear Mr. McGinley:

I have been reading your newspaper for over three years now, and as I finish reading it I pass it on to others. I am a former member of the Armed Forces, and have just returned from Germany. The German people, especially those who fought in Russia, are sure indoctrinating our troops concerning the Jews.

Now that I am back in the States, I can see more clearly the hand of the Jew, he is agitating in the South and trying to divide our people and condition our country for Communism. All over the country the Zionists are crying for poor Israel, after pushing the Arabs out of their rightful homes. With the help of the United Nations (We in the Army call it the USELESS NATIONS) and of course political pressure in the U.S.

The other day we read in the paper the headline, "Arabs accused of anti-Semitic action in the U.S." It seems the Anti-Defamation League of B'nai B'rith says that the Arab Diplomats are trying to stir up Anti-Semitism, so as to stop American sympathy for Israel. Then they had the gall to say that the Jewish employees who were dismissed at Fort Monmouth, during Sen. McCarthy's investigation, were dismissed solely because they were Jewish. Such a bare-faced lie as this, coming from the ADL, just proves what you print. Everyone knows the Army investigated the dismissal of these employees (at the instistance of the ADL) and found each and every one guilty as all hell! The fact that 90% of them were Jews, again proves that you are more than right when you say that Communism is Jewish.

As for the ADL blaming the Arab Diplomats for stirring up anti-Semitism, they are way off base and liars. Every service-man I have talked to has the same idea, mainly that they will not fight for Israel.

They will go to the stockade first, or over the hill. Here in America there must be at least a few million Jews with guts enough to want to enlist in the Israeli Army. I'm for letting them go and fight their own war. And if they fight like we saw them in the last war, in our Army (in the office), the Arabs have nothing to worry about.

The Jews are wrong and the world knows it, in spite of all their propaganda. The sooner the Arabs wipe Israel out, the better for the whole world.

Enclosed are the names of ten of my buddies and their money to cover the subscription charge of your wonderful paper. Please send them some back issues also. I am closing with wishes that our good Lord will keep you in this fight for Christianity a long long while.

Sincerely,
J. V. Sgt. U. S. Army

WE ARE FOR STATES RIGHTS, WE OPPOSE CENTRALIZED INVISIBLE GOVERNMENT

Who Is The Enemy?

MEMORABILIA

A most remarkable letter of General Stratemeyer addressed to Mr. H. Schultz, Chairman of the ADL, was published in the November issue of Common Sense. In this letter the distinguished General makes a reference to Mr. Beaty's book "The Iron Curtain Over America" and says, that only after reading it he understood "what was going on back in The United States" when he himself was fighting for his Country. This candid statement proves once more the value of Mr. Beaty's work and the tragic ignorance of even the best-informed Americans, about the hidden springs which often activate the policies of many modern governments.

General Stratemeyer vigorously denies that he is anti-Semitic, in which "crime", apparently, he was accused by Mr. Schultz, I firmly believe, that the General is really not an anti-Semite in the sense meant by Mr. Schultz, and that the last named, knows this perfectly well, but uses this "Anti-Semitic Smear" with a definite purpose to discredit General Stratemeyer and to confuse the issue. But it is also quite clear that General Stratemeyer is "anti" something, and this "anti" attitude is greatly resented by Mr. Schultz & Co.

It is certain that many honest patriots like General Stratemeyer fully realize now, the existence and might of this Enemy, whom Mr. Beaty rather vaguely, calls "Khazars", and Common Sense calls "Jews", "American Communists" or "Invisible Government"; and the Enemy himself, very adroitly, fixes to all those, who dimly guess the source of danger and try to oppose it, the much-feared label of "anti-Semitism," and thus most effectively paralyzes their actions, because, to many people—and to the so-called "intellectuals" especially—there is nothing more odious than the crime of racial hatred.

To every true Christian, the idea of hating a whole race or an individual who belongs to that race only because he was born such seems to be, quite logically, immoral and repulsive, and contradictory to all Christian teachings. And more often one can hear such an argument: "How could I be an anti-Semite when I knew so many Jews who were better in all respects than any gentiles whom I met so far? Dr. so-and-so, who is a 100% Semite, saved my life; and Mr. so-and-so, who is also a Jew, is my best friend and helped me more than once when I was in need. No, don't count on me if you wish to fight against the Jewish race."

Due to such reasoning and fear of the anti-Semitic smear a quite large section of the American population remains passive in this struggle to the great delight and satisfaction of those who work for the final collapse of what we call "The Christian Western Civilization". If it is nearly impossible to fight an unknown Enemy, it is still more difficult to fight him effectively,

when he substitutes a dummy for himself and this dummy absorbs most of the blows which should otherwise hit this Enemy. In this particular case, "Semitism" is both the dummy and the shield behind which the Enemy hides.

For the sake of those who still do not understand what is going on around them, and those who understand, but do not DARE to tell the truth openly, let us disclose the real name of this Enemy against whom we are fighting. He is, most certainly, neither your doctor, "Jew" Rosenberg, nor my baker, "Khazar" Rosenblum,—as Mr. Schultz implies, when he calls such men like General Stratemeyer "anti-Semites",—nor even Mr. Schultz himself, but this Enemy is the spiritual force which Mr. Schultz represents and which might be called MILITANT JUDAISM.

The recent blatant and shameless "HELP ISRAEL" campaign in the States brought at last to the full light the incredible might of this Dark Force, the existence of which nobody can now deny. As every child understands, it is vital for America to have the Moslem States on their side in the present global struggle; it is clear also, that the interests of Israel and those of America are, in this moment of history, diametrically opposite; and that by helping Israel, America digs her own grave. But does the MILITANT JUDAISM care about it? Of course not.

As an illustration how this MILITANT JUDAISM works, let us cite a short item taken from an article published recently in one of the American magazines:

"Never before has a propaganda campaign in behalf of a foreign government been planned and carried out more blatantly and cynically, with blaze of limelight and to the fanfare of publicity, than the present wave of hysteria now being worked up among American Jews." Does the reader think that this quotation is taken from Common Sense, or from other similar "anti-Semitic" journal? Far from it! The most amazing fact is that this sentence was written by a Jew, Zukerman, and published by a Jewish Newsletter. (See TIME, Nov. 28, 1955). And Mr. Zukerman, most definitely, should know what he is talking about. True to form, the Jews of Mr. Schultz's orientation, did not fail to call this unfortunate journalist an "anti-Semitic Jew", thus placing him, so-to-speak, in the same brackets with General Stratemeyer!

This case of fratricidal feud, shows better than anything else what we mean by telling all those who fight MILITANT JUDAISM in all its ugly manifestations, cannot be called "anti-Semites", and also how indiscriminately this label is affixed to those who dare to oppose this Dark Force.

If only recently it was considered not only proper, but obligatory to every American citizen to be a hater of German and Japanese "Militarism", and now all are called to fight Russian "Imperialism", which does not mean, of course, that every in-

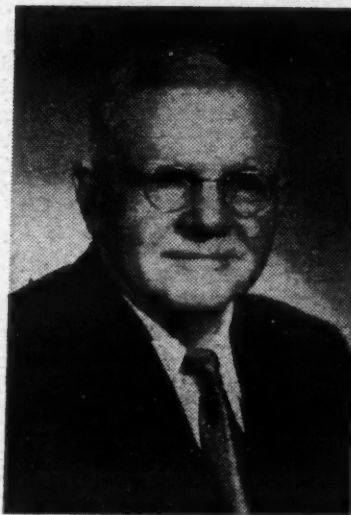

dividual German, Japanese, or Russian, is our foe and should be hated, why then, is it such a deadly sin and a crime to oppose the MILITANT JUDAISM, which, as we have seen from the above quotation, is also opposed by the best and more far-sighted members of the Jewish race itself?

And if even some of the Jews can do it, why we, the Christians of all denominations and the Moslems as well, against whom the destructive force of MILITANT JUDAISM is directed, are denied the right to defend ourselves, and are threatened with dire consequences if we dare to open our mouth?

No, Mr. Schultz, we are, most definitely, not "anti-Semites" which term, as General Stratemeyer pointed out in his letter, is a sheer absurdity, especially under present circumstances, when all of us are on the side of the wronged Arabian States, populated by REAL SEMITES, whom you ROBBED of their land and property. But we were, we are, and we shall be the sworn enemies of the spirit of MILITANT JUDAISM, which leads our world to destruction, and against this spirit we have the full moral right to fight....

Friday deadline set on city loyalty oaths

City Business Administrator John S. Flockhart yesterday set next Friday as a deadline for some 7,000 city employees to sign loyalty oaths and fill out questionnaires concerning subversive organizations.

Flockhart said all city department heads had been notified the City Council had formally adopted a resolution calling for the loyalty oath and answers to the questionnaires.

Members of the council and Mayor Carlin also will be required to sign the oaths and

questionnaires before a notary public or lawyer.

ORGANIZATIONS CHECKED

Besides a loyalty oath and questionnaire, each city employee received a list of 300 organizations branded subversive by U. S. Attorney General Brownell.

City employees are being asked whether they are or have been connected with the Communist Party or any of the organizations on Brownell's list.
